INTRODUCTION

TeamworX Crew **My Portal** is optional functionality and offers franchisees the ability to elect to provide their designated Restaurant Employees remote access to schedules in TeamworX.

If franchisees elect to use this functionality, Managers who are authorized by their franchisee can view a schedule, approve their staff's requests, and communicate messages to their team members about shift openings or important updates, through TeamworX.

Restaurant Employees can elect to use their smartphone, tablet or desktop to access the TeamworX Crew **My Portal** if the Franchisee or their designated Management have shared access, which gives Restaurant Employees have the ability to offer, pick-up and swap shifts through this portal with Management approval.

Franchisees are solely responsible for complying with all applicable laws in their set up and use, if any, of this optional application.

KEY POINTS

- The TeamworX Crew My Portal is accessible via URL, it is not an App.
- Franchisees can share the TeamworX URL with their employees if they elect to use the Crew portion of TeamworX scheduling.
- Franchisee can share a unique **Employee Number** found in TeamworX with their employees if they elect to use the Crew portion of TeamworX scheduling.

TECHNOLOGY REQUIREMENTS

Operating Systems:

- Windows 7
- Windows 10

Compatible browsers:

- Chrome (preferred)
- Internet Explorer 10.0
- Edge
- Internet Explorer 11.0
- Firefox
- Safari

LOGGING IN

In order for franchisees' employees to access TeamworX, Franchisees need to elect to provide their employees:

1. The restaurant's unique TeamworX URL
2. Unique employee number found in TeamworX.

Note: If franchisees elect to use this tool, their employees who choose to can set up an account.

SUPPORT

If you need help, please speak with your franchisee or their designated Management.

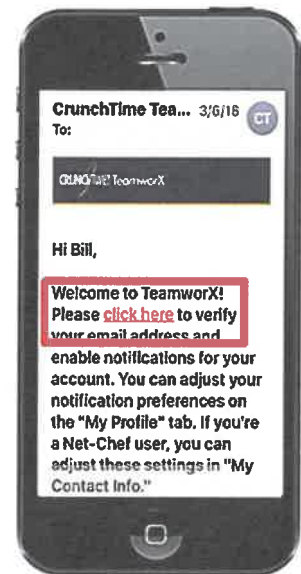

TO CREATE A TEAMWORX ACCOUNT

1. Open a web browser on desired mobile device or computer with internet connection.
2. Go to **your restaurant's unique TeamworX URL** (provided by Franchisee).
3. Select **Create Account**.
4. Enter information required by TeamworX:
 - Email Address
 - TeamworX Employee Number (**Provided by Franchisee or Restaurant's Management**)
 - Date of Birth
 - Password (8 characters; at least one uppercase/lowercase letter, and number)
 - Select and Answer the 1st Security Question
 - Select and Answer the 2nd Security Question

5. Select **Create**.

*Results: An email confirmation screen will appear and an email confirmation addressed “**Verification Email – Welcome to TeamworX**” is sent to the email account entered when the account was created.*

6. Go to your email.
7. **Open the email Verification Email – Welcome to TeamworX.**
8. Select **Click Here**.

Result: You will be directed to a confirmation screen verifying registration if successful.

UPDATING AN EMPLOYEE PROFILE

If a user chooses to update their profile:

1. Log into **TeamworX**.
2. Enter your **User ID** and **Password**.
Note: User ID is the email address you created the account with.
Result: The main TeamworX screen displays.

3. Select **My Profile** from the Main Menu.

Notes:
