

CLEANING PRODUCTS SAFETY

The cleaning products described in this manual are safe when used as recommended.

Some products and chemicals used to clean and sanitize equipment, control insects and rodents may be hazardous if misused.

SAFETY RULES

- | | |
|---------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
| 1. ALWAYS read the label and instruction sheet. | 1. NEVER store any chemicals or cleaning products near or above food storage, preparation, or serving areas. |
| 2. ALWAYS follow the manufacturer's usage instructions. Use no more of a cleaning product than recommended by the manufacturer. | 2. NEVER mix different chemicals or cleaning products unless specifically instructed on the label or in this manual. |
| 3. ALWAYS observe safety precautions, which apply to handling, storage and use as presented on the label or in this manual. | 3. NEVER put chemicals or cleaning products in unmarked containers. |
| 4. ALWAYS dispose of empty cleaning product containers as recommended on the label. | 4. NEVER leave chemical or cleaning product containers uncovered. |

FOR SAFETY: THESE RULES MUST BE FOLLOWED

BOUNTY PAPER TOWELS

High-quality, absorbent and durable paper towels in a Select-A-Size roll. Most cleaning procedures recommend clean wiping cloth or “single-use towel”. Bounty paper towels can assist with many cleaning tasks providing better absorbency and cleaning capabilities for a wide variety of surfaces. Paper towels generally will not create streaks or leave chemical and soil residues behind as some cloths will.

Bounty Select-A-Size Paper Towels are available in a convenient 8 Giant Roll bundle pack for ease with handling and storage.

TASK AREAS

- Glass
- Mirrors
- Laminate walls and surfaces
- Most Hard Surfaces – check procedure book for task areas

CLEAN QUICK® BROAD RANGE QUATERNARY SANITIZER

This is an EPA-registered broad range, liquid quaternary sanitizer. It is EPA approved for food contact sanitizing from 150 to 400ppm. It is EPA registered as being effective against Avian Influenza A when used as a disinfectant. It sanitizes without leaving chlorine bleach odors. Usage is one ounce per 5.5 gallons of water to obtain target 200 ppm sanitizer concentration. Quaternary test strips (QT-40 or equivalent) must be used to determine the concentration.

Clean Quick® Broad Range Quaternary Sanitizer is available in 1-gallon bottles, 3 per case.

TASK AREAS

- 3-compartment sink (sanitizer compartment)
- Smallwares
- Food preparation surfaces as part of wash/rinse/sanitize/air dry (W/R/S) process
- All food contact surfaces as part of W/R/S process
- Food contact equipment and equipment parts as part of W/R/S process

CLEAN QUICK® CHLORINATED SANITIZER AND CLEANER

This EPA-registered sanitizer cleaner is designed for use in cleaning, sanitizing, and preventing a build-up of milk stone in equipment. Each bottle contains a measuring scoop (1/2 ounce); one scoop sanitizer per gallon water provides 100 ppm available chlorine. A test kit should be used to determine concentration.

THIS PRODUCT IS REQUIRED FOR CLEANING AND SANITIZING THE COOLATTA AND SOFT SERVE MACHINES.

THIS PRODUCT IS NOW ALSO REQUIRED FOR THE ICE MACHINE 2 WEEK CLEANING, SANITIZING AND INSPECTION PROCESS. THIS PROCEDURE CAN BE ACCESSED ON OPS SOURCE OR ON-LINE UNIVERSITY.

Clean Quick® Chlorinated Sanitizer and Cleaner is available in a 10 pound plastic bottle.

TASK AREAS

- Coolatta freezer
- Coolatta freezer parts
- Soft-Serve Machines
- Cleans milk stone soils. Cleans and sanitizes preparation and dispensing equipment and related parts.
- Ice Machines.

CLEAN QUICK® CHLORINE SANITIZER

This is an EPA-registered chlorine sanitizer powder that requires no rinsing. Usage is one ounce (one packet) per ten gallons water to provide 100 ppm available chlorine. A test kit is provided in each case to check concentration.

Clean Quick® Chlorine Sanitizer is available in 1-ounce portion packets, 100 per case.

TASK AREAS

- 3-compartment sink (sanitizer compartment)
- Smallwares
- Food preparation surfaces as part of wash/rinse/sanitize/air dry (W/R/S) process
- All food contact surfaces as part of W/R/S process
- Food contact equipment and equipment parts as part of W/R/S process

COMET® CLEANER WITH BLEACH

Comet® Cleaner with Bleach is a unique 2-in-1 all-purpose cleaner which combines the cleaning power of heavy-duty detergents with the stain removal power of bleach. Comet® Cleaner with Bleach contains patented cleaning technologies which clean the full range of tough kitchen and restroom soils, but contains no abrasives.

Comet® Cleaner with Bleach is available in;

- 32 fl. oz. bottles – 8 per case

TASK AREAS

- Guest and crew member restrooms
 - Toilets
 - Urinals
 - Sinks/vanities
 - Hard water stains
 - Mold and mildew build-up
- Kitchen area
 - Greasy stains
 - Counter stains
 - Other soiled or stained areas
- Inside and outside of plastic trash containers
- Tracked-in dirt and scuffmarks

COMET® DISINFECTING CLEANER WITH BLEACH

Comet® Disinfecting Cleaner with Bleach is a unique 2-in-1 all-purpose cleaner which combines the cleaning power of heavy-duty detergents with the stain removal power of bleach. Comet® Disinfecting Cleaner with Bleach uses remarkable cleaning technologies which clean the full range of tough kitchen and restroom soils, but contains no abrasives.

Comet® Cleaner with Bleach is available in;

- 32 fl. oz. bottles – 8 per case

TASK AREAS

- Guest and crew member restrooms
 - Toilets
 - Urinals
 - Sinks/vanities
 - Hard water stains
 - Mold and mildew build-up
- Kitchen area
 - Greasy stains
 - Counter stains
 - Other soiled or stained areas
- Inside and outside of plastic trash containers
- Tracked-in dirt and scuffmarks

DAWN® MANUAL POT AND PAN DETERGENT

Dawn® Manual Pot and Pan Detergent is a highly concentrated liquid detergent formulated for the foodservice environment to help remove greasy food soils from pots, pans, and utensils.

Dawn® Manual Pot and Pan Detergent is available in:

- 1-gallon bottles – 4 per case
- 38 fl. oz. bottles – 8 per case

TASK AREAS

- 3-compartment sink (wash compartment)
- Washing food contact surfaces
- Countertops
- Dining room tables
- Windows (outside and inside)
- Smallwares
- Tile walls

DAWN® POWER DISSOLVER

Dawn® Power Dissolver is specially formulated to dissolve burnt-on, baked-on, carbonized grease, reducing the need to scour. Dawn Power Dissolver uses a patented solvent-based formula to quickly penetrate and dissolve grease, making it simple to wipe grease away.

Dawn Power Dissolver is available in:

- 32 fl. oz. spray bottles – 6 per case

TASK AREAS

- Pots and pans
- Baking sheets and pans
- Ovens (See bakery operations manuals)
- Stainless steel
- Cold surfaces
- Smallwares or other surfaces with baked-on, burnt-on foods and grease

DCT AUTOMATIC DISHWASHER DETERGENT

DCT Automatic Dishwasher Detergent is a highly concentrated, low-foaming dishwasher detergent. It is designed for use in automatic dishwashing machines and is effective at removing food soils on a variety of surfaces. At recommended concentrations this product will not damage aluminum surfaces. DCT Automatic Dishwasher Detergent works excellent in hard water conditions.

DCT Liquid Auto-Dish Wash is available in:

- 1-gallon plastic containers - 4 per case

TASK AREA

- Automatic dishwashing machine

DCT DELIMER

DCT Delimer is a crystalline powder product. It is designed specifically for removing mineral deposits on a variety of foodservice equipment. Recommended dilution rates vary depending on equipment or surface being de-limed.

DCT Delimer is available in 2-oz. packets, 48 per case.

TASK AREAS

- General equipment deliming
- Ice machine

DCT DELIMER LIQUID

DCT Liquid Delimer is a clear, green, highly concentrated maintenance cleaner and descaler. This product is specifically designed for use in foodservice areas and formulated with mild acids and specially selected surfactants to remove hard water deposits and rust spots from surfaces.

DCT Delimer is available in 32 oz. RTU bottles, 12 per case.

TASK AREAS

- General heavy duty equipment deliming
- Deliming Rack Washers at CML

DCT E-Z CLEAN PAN SOAKER

DCT EZ Clean Pan Soaker easily removes encrusted grease and carbon build up on pans. Brings back the “new” look to pans and is reusable for up to a month in the soak tank. This product supplies an economical and easy solution to pan and tray cleaning. EZ Clean Pan Soaker is safe to use on aluminum without damaging pans and trays. Soak pans and trays overnight in soak tank, then wash, rinse, sanitize and air dry.

DCT E-Z Clean Pan Soaker is available in:

- 1-gallon bottles – 3 per case.

TASK AREAS

- Bakery Pans and Trays

DCT FREEZER CLEANER

DCT Freezer Cleaner is a specially formulated, dual-purpose cleaner and degreaser for use in walk-in freezers. This ready-to-use product provides effective cleaning at temperatures as low as -30°F, removing ground-in dirt, grease, and grime deposits. DCT Freezer Cleaner is safe to use on concrete, steel, or plastic surfaces.

DCT Freezer Cleaner is available in:

- 1-gallon bottles – 4 per case.

TASK AREA

- Freezers

DCT HEAVY- DUTY DEGREASER

DCT Heavy-Duty Degreaser is excellent for the cleaning of dock areas and dumpsters. It is designed for cleaning heavy crank case oil from concrete drive-thru pads. It is also designed for spot cleaning where heavy grease build-up exists and fryer boil-outs.

DCT Heavy-Duty Degreaser is available in 1-gallon bottles, 4 per case.

TASK AREAS

- Dock area
- Dumpsters
- Parking spots & drive-thru pads
- Spot cleaning
- Fryer boil-outs

DCT STAINLESS STEEL CLEANER & POLISH

DCT Stainless Steel Cleaner/Polish is a gentle, yet effective cleaner and polish specifically formulated to be used on stainless steel surfaces. This product cleans the surface while restoring the surface appearance. DCT Stainless Steel Cleaner/Polish is packed in plastic quart containers with spray head.

DCT Stainless Steel Cleaner and Polish is available in:

- 32 fl. oz. bottles – 4 per case

TASK AREAS

- Stainless steel surfaces*
- Stainless steel equipment*
- *Non-food contact surfaces only

FEBREZE STICK & REFRESH

Febreze Stick & Refresh can be mounted on many hard surfaces to leave behind a light, fresh scent for up to 30 days. Key area is in restrooms. Never use in or near food storage or preparation areas.

Febreze Stick & Refresh are available in:

- Starter kits: 8 dispenser and scented oil cartridges
- Dual Refills: 8 dual refill cartridge packs (16 total cartridges)

TASK AREA

- Air Freshening

FRYER BOIL OUT by CASCADE® PROFESSIONAL

Fryer Boil Out by Cascade® Professional is formulated for cleaning deep fryers. It contains water softening and cleaning agents to give a deep clean.

Fryer Boil Out by Cascade Professional is available in;
• 85 oz cartons. – 6 per case.

TASK AREAS

- Fryer Boil Out

MR. CLEAN® MAGIC ERASER

Mr. Clean® Magic Eraser is a highly effective cleaning tool made of a chemical-free, innovative material that erases dirt easily. It easily and thoroughly breaks up tough dirt with just water alone. It penetrates surface grooves to clean trapped dirt and grime.

Mr. Clean® Magic Erasers are available in 4 count packs, 6 packs in a case.

TASK AREAS

- Walls
- Floors
- Non-Finished hard surfaces:
 - Tables
 - Countertops
- Not to be used for smallware washing in 3-compartment sink.

P&G PRO-LINE DRAIN DIGESTANT DEODORIZER

A natural enzymatic cleaner specifically engineered to break down all types of organic soils and grease build-up from drain lines. This unique formula digests and removes the source of organic waste. Not a temporary solution like some other drain cleaning products that only partially open drain lines. Contains non-pathogenic bacteria that grow, multiply and act as enzyme generators forming a digesting film to eliminate odors at the source and helps keep your drain lines running freely.

P&G Proline Digestant Deodorizer is available in 32 oz bottles, 12 per case:

TASK AREA

- Drain maintenance

SAFEGUARD® ANTIBACTERIAL HAND SOAP

This product is an antibacterial soap with a moisturizer. It helps remove the potentially dangerous germs that can cause cross-contamination. Safeguard® Antibacterial Hand Soap encourages more frequent crew member use, with moisturizers and a pleasant scent.

Safeguard® Antibacterial Hand Soap is available in 1-gallon bottles, 2 per case.

TASK AREAS

- Crew member hand cleaning
- Guest hand cleaning

INTRODUCTION

APPROVED PRODUCTS

SPIC AND SPAN® 3-in-1 DISINFECTING ALL-PURPOSE SPRAY AND GLASS CLEANER

Spic and Span® Disinfecting All-Purpose Spray and Glass Cleaner is a 3-in-1 cleaner for glass and most hard surfaces. It cuts grease, cleans stainless steel and glass streak-free, and is a hospital-grade disinfectant.
